Summary: A poem dedicated to the Dragon the changed the world.

There Once was a Dragon

There once was a Dragon who was Feared

Great men would shuddered at it's flying-shriek

Their towers, and families, it would sear

Making even the most fearless of warriors meek

There once was a Dragon who was Respected

A mighty Alpha of great power

Who all bowed before, as it would be expected

and at every wickedness, the alpha would glower

There once was a Dragon who was loved

by a young boy, his best friend

who he would protect, support, stand by in return

until the very end.

End
file.
